Career Exploration Program

One student. One journey. A map for life. Every session is personal, virtual and unhurried — we begin with the family, then walk one-on-one with the student from discovery to a confident career map.

₹10,000 per student

All-inclusive: sessions, assessment, report, welcome kit & a year of check-ins · plus applicable taxes

1

Orientation Session

STUDENT + PARENTS · 60 MINS · VIRTUAL

Setting the vision together — how scientific career exploration works, addressing expectations and common myths.

2

Discovery & Debrief Session

1-TO-1 WITH THE STUDENT · 75 MINS · VIRTUAL

A warm walkthrough of the psychometric report — personality dimensions, interest clusters and core drivers.

3

Career Choice Mapping Session

1-TO-1 WITH THE STUDENT · 90 MINS · VIRTUAL

Translating insights into action — career pathways, subject stream recommendations and high-growth opportunities.

+

4 Optional Quarterly Check-ins

01 Why We Exist

To ensure no young person spends their life stuck in a career they do not enjoy. Professional success is a natural byproduct of personal joy and alignment.

02 Our Vision

A world where the younger generation in India chooses careers out of curiosity and genuine interest rather than societal pressure — creating happier, more fulfilled professionals.

03 Our Mission

Actionable, engaging and scientifically backed career exploration tools that empower students to discover their strengths, explore diverse choices and confidently make career decisions.
